

Dashboard

Once you sign up for the first time on EarnX, you will get your account's dashboard. On your dashboard, you will see many sections such as: Referral Link, Deposit Wallet Balance, Interest Wallet Balance, Total Withdrawal Balance, Total Invest, Total Deposit, Total Withdraw, Referral Task Earnings, and Task Referral Users.

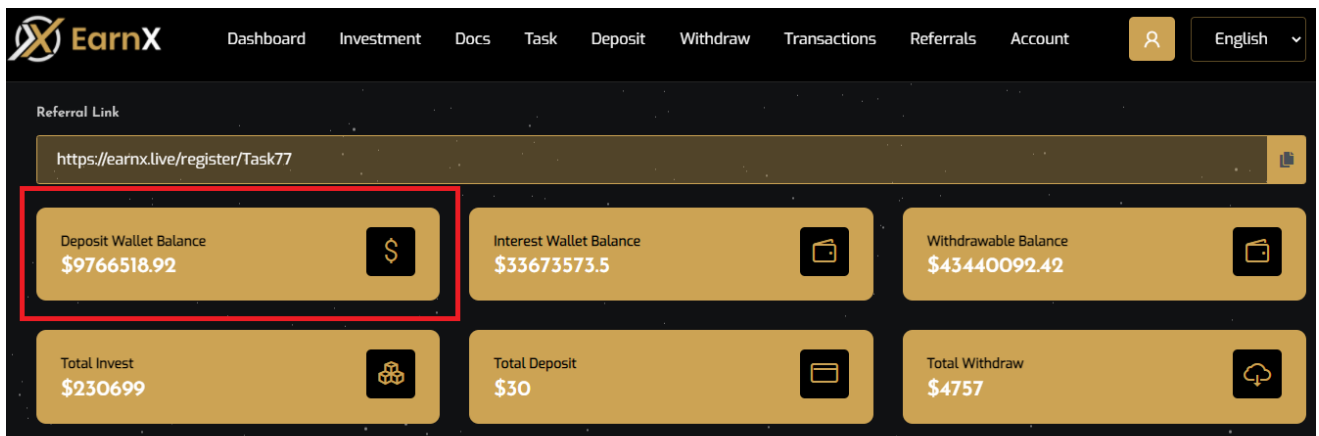

1. Referral Link

When a new user signs up in EarnX, the new user will get a reference box in which the new user will enter the referral user's username in this box.

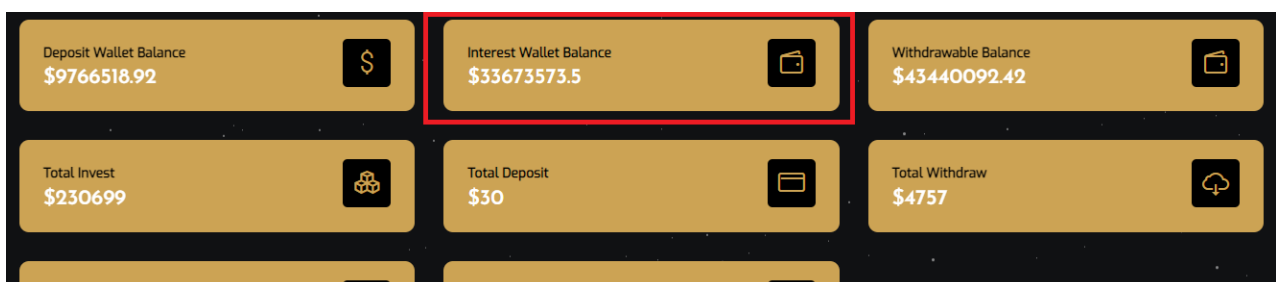

2. Deposit Wallet Balance

This section shows your total deposit balance, from which you can purchase any plan.

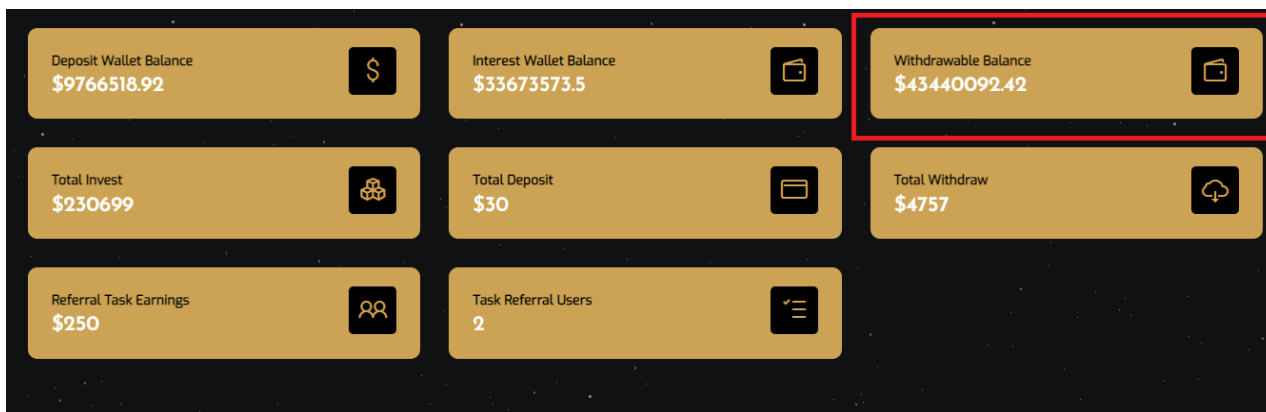

3. Interest Wallet Balance

This section shows your total interest balance. When you purchase any plan, you will get an interest rate on your plan.

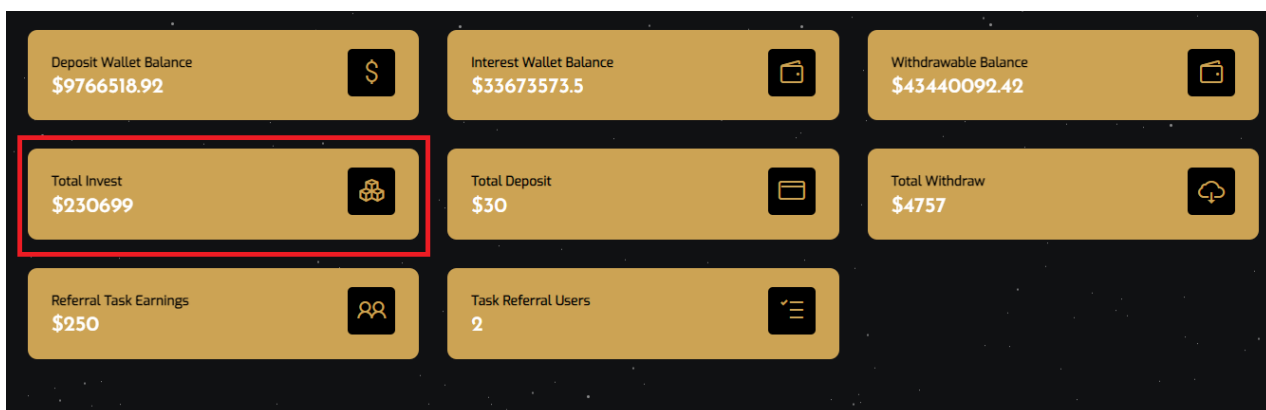

4. Total Withdrawable Wallet Balance

This section shows your total withdrawable balance which you can withdraw at any time with our Withdraw section.

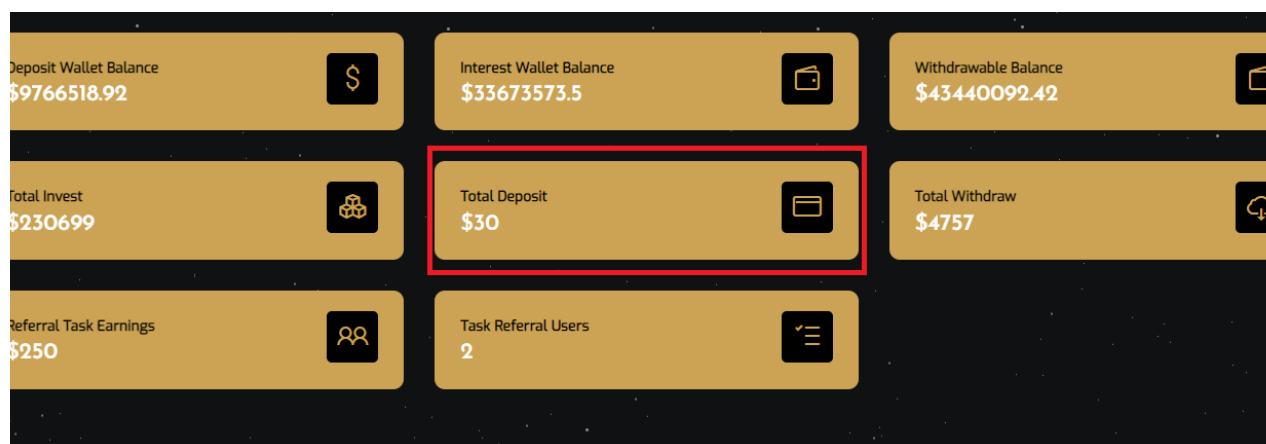

5. Total Invest

This section shows the total number of plans in which you are already invested in EarnX.

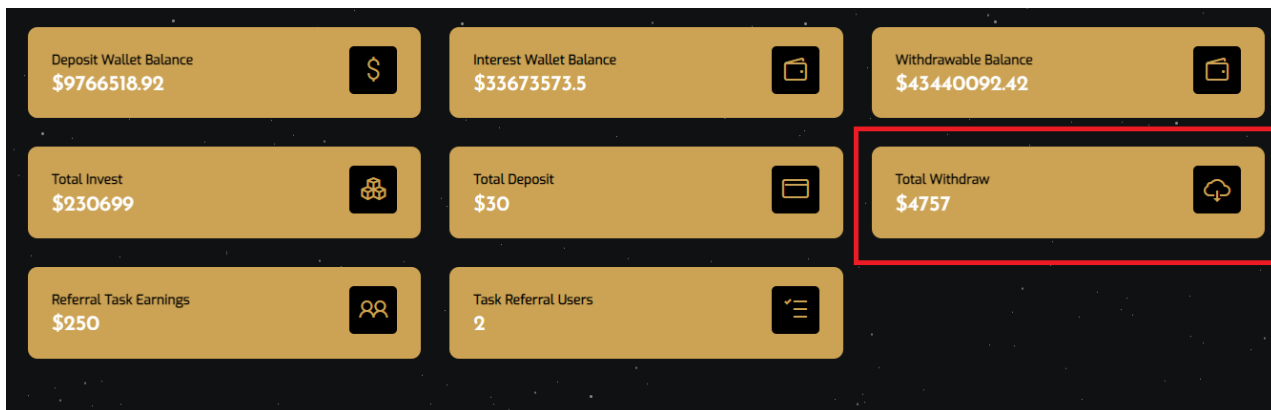

6. Total Deposit

This section will show you the total of all the deposits you have made so far in EarnX.

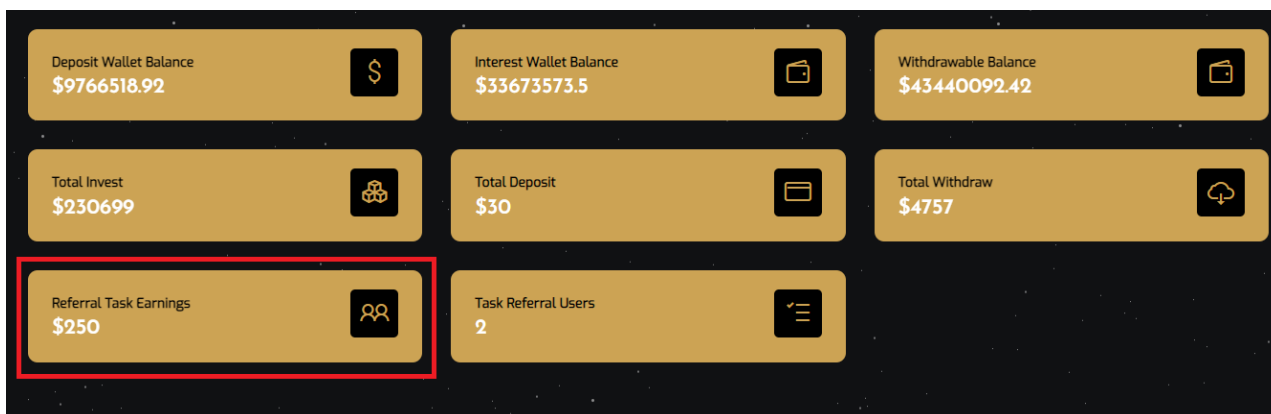

7. Total Withdraw

This section will show you the total of all the withdrawals you have made so far in EarnX.

8. Referral Task Earnings

This section will show you the total of all the earnings that you have earned so far with referral tasks in EarnX.

5.Task Referral Users

This section shows the total number of users whom you have referred with the help of Task in EarnX.
